

Suffolk County Fire Academy

Basic Structural Collapse Operations

Student Expectations

This is a lecture only course. Personal protective equipment is not needed.

The BSCO Course hand-outs for each session as well as the Basic Structural Collapse Operations Manual are included within the Downloads section of the SCFA website. You are encouraged to bring materials to take notes.

You must print and bring to class the Basic Structural Collapse Attendance Record (Stamp Sheet). This is also available via the Downloads section of the SCFA website.

To properly register your participation in this class with the State of New York, you will be required to produce your NYS Training ID # on the course stamp sheet. This number can be obtained by contacting the New York State Office of Fire Prevention at 518-474-6746 or through your department's training officer. You must provide this number by the last session of the program.
