

SCFA – Training Bulletin 22-06

Police Body Worn Camera's

County, State, Town & Village Law Enforcement throughout Suffolk County are currently using or will be using BWC's to document public encounters

Fire / EMS personnel are reminded they are already being recorded via cell phones cameras, security camera's, Ring Doorbell cameras, dash cameras and traffic cameras

BWC footage is subject to Criminal Prosecution Discovery Laws & FOIL requests

Firefighters / EMS Situational Awareness of BWC's

- **Fire / EMS personnel represent their agencies and must be professional in their conduct, attitude and language during responses**
- **Fire/EMS agencies should assume BWC's are activated when responding to calls for service**
- **BWC activation policies vary between law enforcement agencies**
