

Suffolk County Fire Academy

V.E.E.B. – Est. 1943
103 East Avenue • Yaphank, NY 11980
Tel: (631) 924-6822 • Fax: (631) 924-6825

We have recently had our 5-year evaluation conducted by the National College Credit Recommendation Service (NCCRS). NCCRS strives to help working adults and other students earn credit for learning acquired outside of the college classroom. Over 1,200 colleges and universities will consider granting actual college credit based on NCCRS credit recommendations and in accordance with their own transfer policies.

Suffolk County firefighters now can receive up to 24 college credits for courses they attended at the SCFA. Visit <https://www.nationalccrs.org/organizations/suffolk-county-fire-academy-0> for further information about college credit and the NCCRS. This is provided at no cost to you as a student. The academy will send an official transcript to the College or University of your choice for inclusion in your official academic transcript.

Should you be interested in having an SCFA transcript sent to your college or university, email the following information to Ythompson@scfa-li.org.

- First and Last name
- Home address
- Last four digits of your social security number
- Date of birth
- Fire Academy course(s) you are seeking credit for
- Name of College/University
- Address of College/University, and point of contact
